

Dear Potential Sponsor,

The Bronze Back Classic is a small mouth bass tournament held annually in Kenora, Ontario on beautiful Lake of The Woods. This year we will be celebrating our 17th year running on July 22 & 23, 2023.

The tournament is going to look a little different this year as the Chair and Founder of the Bronze Back Classic, Bob Stapleton of JB Baits, has sadly passed away. In honor of Bobby, we have decided to continue the tournament as the “Bronze Back Classic - Bob Stapleton Memorial” and it will remain focused on Bobby’s vision - to get families, friends, local anglers, summer residence, and especially youth involved in this two-day event.

Without the support of our sponsors like yourself, this tournament would not be as successful as it has in previous years. We hope you will be able to donate or contribute this year. With your help the “Bronze Back Classic – Bob Stapleton Memorial” will continue successfully and keep Bobby’s vision alive.

As we are a not for profit organization, we rely on sponsors and individuals to help us provide a great event and fishing experience for our adult and youth anglers.

All levels of sponsorships will go towards tournament expenses, such as rental costs, insurance, prizes and awards, and other related costs.

Your contribution will help ensure that our anglers have an enjoyable and memorable experience. We believe that our sponsors are also part of the family.

We will feature your logo on our website and social media platforms and will make sure to recognize your sponsorship at the tournament.

This is a great opportunity to get your business and brand out in front of our anglers and the fishing community.

Sponsorship Levels:

Platinum Sponsor - \$1500

Gold Sponsor - \$1000
